

## Achievement: Scoring Guide

<b>Score</b>	<b>Description</b>
<b>A / 4 / (93-100)</b>	I exceeded the objectives of the task or lesson. I have an excellent understanding of the concept or skill. I understand it so much that I could clearly teach it to my parents, teachers, or friends.
<b>B / 3 (90-92) (87-89) (85-86)</b>	I met the objectives of the task or lesson. I have a solid understanding of the concept or skill. I understand it enough to demonstrate the skill or knowledge of the concept on my own.
<b>C / 2 / (80-84) (75-79) (70-74)</b>	I met some of the objectives of the task or lesson. I have a general or basic understanding of the concept or skill. I kind of understand it but still need more practice/help with this.
<b>D / 1 / (65-69)</b>	I did not meet the objectives of the task or lesson. I have a limited understanding or no understanding of the concept or skill. I definitely need more practice/help with this, so I can do it on my own.
